EXPLANATORY NOTES

InterQuest Group plc

Annual General Meeting 27 May 2011

Resolution 1 **The Report and Accounts.**

The directors are required to present to the meeting the audited financial statements and the reports of the directors and the auditors thereon for the financial year ended 31 December 2010.

Resolution 2 **Appointment of new Director**

Mark Braund was appointed as a director of the Company on 28 April 2011. In accordance with Article 94 of the Company's Articles of Association, Mark Braund is required to retire and put himself forward for re-appointment by the shareholders at the first annual general meeting of the Company held after his original appointment. Biographical details of Mark Braund are set out in the audited financial statements.

Resolution 3 **Re-appointment of the Director**

Article 89 of the Company's Articles of Association provides that one third of the directors, or if the number of directors is not three or a multiple of three, the number nearest to but not exceeding one third shall retire from office. The directors to retire by rotation shall those who have been longest in office since their appointment or last reappointment.

Being that there are five directors, one director is required to retire by rotation. Michael Joyce was appointed on 21 June 2004. He has been in office the longest since his appointment or re-appointment and is therefore required to retire by rotation. Biographical details of Michael Joyce are set out in the audited financial statements.

Resolution 4 **Re-appointment of Auditors.**

The Company is required to appoint auditors at each general meeting at which accounts are laid before the Company, to hold office until the end of the next such meeting.

This resolution proposes that Grant Thornton UK LLP be re-appointed as auditors for the current year and, in accordance with standard practice, gives authority to the directors to determine the remuneration to be paid to the auditors.

Resolution 5 **Authority to Allot Shares.**

Under section 551 of the Companies Act 2006, the directors of a company cannot allot unissued shares and other "relevant securities" unless they are authorised to do so by the Company in general meeting.

This resolution, if passed, will continue to give the directors flexibility to act in the best interests of the shareholders, when opportunities arise, by issuing new shares pursuant to section 551 of the Companies Act 2006, amounting to a maximum aggregate nominal amount of £104,286.96, being one third of the total issued ordinary share capital as at 3 May 2011. The directors have no current intention of exercising this authority.

This authority will expire 15 months after the date of this resolution or at the conclusion of the next annual general meeting of the Company, whichever occurs first, unless previously renewed, varied or revoked by the Company in general meeting.

This authority renews the authority given to the directors in this regard at the last annual

general meeting of the Company held on 27 May 2010.

Resolution 6 Dis-application of Pre-emption Rights.

Under section 561(1) of the Companies Act 2006, before the directors of a company can allot equity securities for cash, those equity securities are required to be offered first to existing shareholders in proportion to their existing shareholding and otherwise in compliance with the technical requirements of the Companies Act 2006. These are the statutory pre-emption rights of shareholders. These pre-emption provisions also apply to the sale of treasury shares by the Company.

In certain circumstances, however, it may be in the interests of the Company for the directors to allot shares and/or sell treasury shares for cash without first offering them to existing shareholders in proportion to their existing holdings or otherwise than strictly in compliance with the requirements of the Companies Act 2006.

This resolution, which will be proposed as a special resolution, if passed, will allow the directors, pursuant to section 570 of the Companies Act 1985, to allot shares and/or sell treasury shares for cash without first offering them to shareholders in compliance with the requirements of the Companies Act 2006. This authority is limited to the allotments of equity securities and/or sale of treasury shares for cash up to a maximum aggregate nominal amount of £15,643.04, which is equivalent to 5 per cent of the total issued ordinary share capital of the Company as at 3 May 2011, and allotments of equity securities and/or sale of treasury shares for cash in connection with a rights issue or other offer to shareholders, subject to the directors ability to make arrangements to deal with certain legal or practical problems arising in connection with such offer.

This authority will expire 15 months after the date of this resolution or at the conclusion of the next annual general meeting of the Company, whichever occurs first, unless previously renewed, varied or revoked by the Company in general meeting.

This authority renews the authority given to the directors in this regard at the last annual general meeting of the Company held on 27 May 2010.

Resolution 7 Purchase of Own Shares.

With the authority of the Company in general meeting, the Company is empowered by its Articles of Association to purchase its own shares subject to the provisions of the Companies Act 2006. The directors believe that, in common with many other listed companies, it is in the interests of the Company and its members to continue to have the flexibility to purchase its own shares.

This resolution, which will be proposed as a special resolution, if passed, authorises the purchase by the Company of up to 3,128,608 ordinary shares which is equivalent to 10 per cent of the total issued ordinary share capital of the Company as at 3 May 2011 and sets the minimum and maximum prices at which those shares may be bought. The directors intend only to exercise this authority where, after considering market conditions prevailing at the time, they believe that the effect of such exercise would be to increase the earnings per share and be in the best interests of shareholders generally.

This authority will be valid until 15 months after the date of this resolution or at the conclusion of the next annual general meeting of the Company, whichever occurs first, unless previously renewed, varied or revoked by the Company in general meeting. The directors intend to seek renewal of this authority at each subsequent annual general meeting.

The effect of such purchases would either be to cancel the number of shares in issue or the directors may elect to hold them in treasury pursuant to the Companies (Acquisition of Own Shares) (Treasury Shares) Regulations 2003 (the "Regulations").

The Regulations enable certain listed companies to hold shares in treasury, as an

alternative to cancelling them, following a purchase of own shares by a company in accordance with the Companies Act 2006. Shares held in treasury may subsequently be cancelled, sold for cash or used to satisfy share options and share awards under a company's employee share scheme. Once held in treasury, a company is not entitled to exercise any rights, including the right to attend and vote at meetings in respect of the shares. Further, no dividend or other distribution of the company's assets may be made to the company in respect of the treasury shares.

As at 3 May 2011, there were options outstanding over 2,412,500 shares, representing approximately 7.7 per cent of the issued share capital of the Company at 3 May 2011. If the authority proposed to be given by this resolution was to be used in full, these shares would represent approximately 8.6 per cent of the resulting issued share capital of the Company as at 3 May 2011.

This authority renews the authority given to the directors in this regard at the last annual general meeting of the Company held on 27 May 2010.
