InterQuest renews and expands Managed Service Provider contract with Dixons Carphone Group

IT, Analytics and Digital staffing specialist, InterQuest Group plc has been signed up for a further three years as Managed Service Provider to Dixons Carphone Group, expanding its original contract with Carphone Warehouse to support the recruitment and administration of non-permanent staff across the merged organisation.

The expected value of the contract is £54 million over the contract period.

Interquest has been providing a managed service programme to Carphone Warehouse since 2010 and is pleased to continue supporting the merged organisation.”

Mark Braund, InterQuest Group CEO said: *“We are delighted to have renewed and expanded our contract with Dixons Carphone Group. This demonstrates both the strength of our proposition to clients and our ability to deliver high-quality staffing solutions. Dixons Carphone is a very successful business, operating in an exciting sector of the economy, and we look forward to continuing to support them.”*
